

# LED Starlit Dancefloor Pricing

Please see below my Dancefloor price list (published June 2020). I have highlighted the most common sizes hired but all sizes are available. If you would like a walkway leading up to the dancefloor or a separate walkway then please get in touch for a quote.

All prices below include delivery, setup & collection along with floor protection if required by the venue. You do not need to clean the floor after use as this will be done by myself.

**These prices are for Dancefloor hire only.** If I am also DJing the event or you are creating more of a package with Light Up Letters etc then I can certainly look at improving on the fees below.
